FROM THE OFFICE OF THE PRINCIPAL

3rd May, 2022

Parents of Forms 1 and 2 students

As a result of the upcoming 'School Day with my Child' initiative which commences this week Thursday for Form 3's and Friday 6th May for Form 4 students, all Form 1 and Form 2 students will be taught online from home using our school's Learning Platform (MOODLE) and all of the other platforms teachers use in addition to MOODLE.

This is in an effort to allow all parents/guardians to spend an entire school day with their child—visiting each timetabled class and meeting with their subject teachers. This should facilitate better understanding what a typical school day is and an opportunity to meet with the subject teachers for a brief period.

Parents/guardians are encouraged to 'take a day off from your usual scheduled' and accompany your child to school.

The activity will take place on Monday 9th May for Form 1 Parents and Tuesday 10th May, 2022 for Form 2 parents. The format of this activity will be as follows:

1. 8:15 a.m.—10:15 a.m. - *Math, English, Social Sciences*
2. 10:40 a.m.—12:15 a.m. - *Practical teachers in the workshops*
3. 1:00 p.m.—2:45 p.m. - *Natural Sciences and Modern Languages*

Teachers of each subject will be seated in the Auditorium and parents will get a chance to meet these teachers accordingly. The practical subject teachers will await parents in their labs or workshops. Parents, please take note.

Your participation and attendance is greatly encouraged. We certainly look forward to meeting and seeing all of the parents of all of our lower school students.

Yours truly

.....
Ms. Marva Daniel
Principal

NB: Forms 1 & 2 students remain at home for online instruction on Thursday 5th and Friday 6th May, 2022 since Forms 3 and 4 parents will be participating in 'School Day with my Child'. Also note that there will be NO SCHOOL for ALL students on 12th and 13th May, 2022 as a result of CPEA.
